USER'S guide

PREVIEWSworld.com

At first glance, **PREVIEWS** can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of **PREVIEWS**, the monthly mag-a-log dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of **PREVIEWS**!

PREVIEWS COMIC BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE TOYS & VIDEO

What is **PREVIEWS**?

PREVIEWS is part magazine, part catalog—a “mag-a-log” of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of **PREVIEWS**, most items will be in comic shops sometime in June.

How do I order from **PREVIEWS**?

Ordering from **PREVIEWS** is easy! There are **3** simple ways to order:

- 1 Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.
- 2 Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of **PREVIEWS**. Fill out what you want to order and hand in to your comic shop by the due date on the cover!
- 3 Ask your retailer about their “Pull & Hold” service.**
Many retailers offer a “pull & hold” or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of **PREVIEWS**, Marvel **PREVIEWS**, and the **PREVIEWS** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of **PREVIEWS**, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through **PREVIEWS**! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, **PREVIEWS** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for Certified readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

STAR MONTH

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in **PREVIEWS** and are being made available again.

PI or Please Inquire

Your store will set the price for all “Please Inquire” items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual

prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or “assortment” quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

HEY KIDS,
COMICS!EDITOR'S
note

Here we are, roughly a week or so since Free Comic Book Day 2012 which was, by all accounts, a rousing success for everyone involved. Plenty of folks got to try out their first comic books, absolutely free, and most definitely cool. From the reports we received from retailers, sales reps, and fans alike, it was the kids who made out like bandits this year, and why not?! They are the next generation of comic readers are they not.

Something else happening throughout the month of June in Previews and her family of websites and social media sites, is our annual celebration of *KidsComics*! We ways stress that "*KidsComics*" doesn't mean ONLY for kids... these titles are perfect for any reader, regardless of age, and our coverage in **PREVIEWS** hopes to draw your attention to this kind of material.

We've got an overview of recommended titles beginning on page 224 of this issue, and once you see what's there, you'll see that "all-ages" doesn't necessarily mean for kids only. Also, directly following these recommended titles, you'll find a mini-interview with Stan "The Man" Lee, whose latest endeavor, Stan Lee's Kids Universe, hopes to create new comics and graphic novels for kids of all ages. And don't miss our *Indie Edge* this month, which profiles *Amelia Rules!* creator Jimmy Gownley!

And something for our older readers, writer/artist Jeff Lemire (*Essex County*, *Sweet Tooth*, *Justice League: Dark*) discusses his latest graphic novel, *The Underwater Welder*, in our exclusive interview in the *FlipSide* section of this issue!

So, whether you have young readers in your life, or you're just looking for something fun to read, this month's issue is filled to the brim with possibilities!

JIMMYgownleyJIMMYgownleyJIMMYgownleyJIMMYgownleyJIMMYgownleyJIMMYgownleyJIMMYgownley

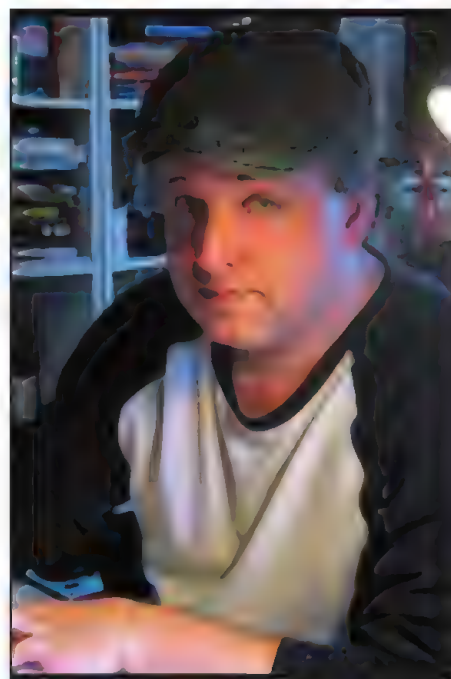

This month's featured creators is...

JIMMY GOWNLEY

Jimmy Gownley is the award-winning creator and cartoonist of the hit kid's comic, *Amelia Rules!* Gownley has 13 Eisner Award nominations (two in 2012) to his name, including nods for 'Best Kid's Comic', 'Best Single Issue', 'Coloring' and 'Lettering'. He has won Three Junior Library Guild awards and was the winner of a 2006 Cybil Award for 'Best Graphic Novel'. His final *Amelia Rules!* Volume, "*Her Permanent Record*", is due out in August 2012. In 2011 Gownley, co-created the webcomic *Gracieland* with Ellen Toole Austin, it can be read at greetingsfromgracieland.com

His work has been translated into multiple languages and was even turned into a stage musical.

Jimmy lives in Harrisburg, PA with his wife Karen and twin daughters, Stella and Anna, whose own art can sometimes be found on the back of *Amelia* original art pages.

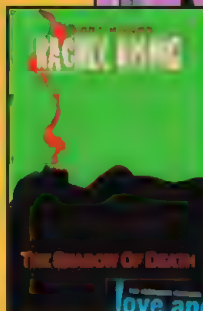

Jimmy Gownley, what are you currently reading?

I'm most known for my work in, and advocacy of, comics for kids. But right now I'd like to recommend a few "grown up" books which I think count among the best work being published anywhere today. Dave Sim's *Cerebus* was a huge influence on me as a cartoonist, and I am thoroughly enjoying his most recent series, **Glamourpuss** (#23, NOV110672). Where else can you get a comic book about brush-versus-pen inking styles, the fashion industry, and fateful decisions made by 1950's newspaper strip artists?

Another indie creator with an epic masterpiece behind him is Terry Moore. **Rachel Rising** (Vol. 1: *Shadow of Death*, JAN120780) is Moore's latest; it is beautifully drawn, super creepy and quite funny too!

Finally, I want to recommend **Love and Rockets: New Stories** (Vol. 5, MAR128030). *Love and Rockets* is one of the greatest comics series ever created, and incredibly, even after 30 years, it is still featuring top notch, cutting edge stories. Even if it does only come out once a year!

HAWKEYE LETS THE ARROWS FLY THIS AUGUST

Hero and champion. Leader and loner. In his long career, Clint Barton has been all of these things. Often a hero, occasionally a criminal, sometimes the leader of the Avengers or the Thunderbolts, at times a hero who hunts the streets alone, he has put his unmatched skill as a marksman and an archer to use as Hawkeye. Featured in this summer's Avengers film as part of Earth's mightiest heroes, Hawkeye strikes out for Avenger-less adventures in Matt Fraction and David Aja's new ongoing series, *Hawkeye*!

Wrestling with recent events, Barton finds himself trying to sort out the next chapter in his life. But he's still Hawkeye, he's still a hero, he still has the drive to fight injustice. In and out of his purple spandex, he'll find himself standing up for the little guy when they're threatened and taking on street crime, utilizing everything at his disposal, from his famous trick arrows to a roll of quarters to make the world a better place.

He won't wage this fight alone, however. Kate Bishop of the Young Avengers, who adopted the name Hawkeye herself, joins Barton in his personal battle. As the student to Barton's mentor, these two will explore what drives them, what makes them heroes, and who they are beneath the masks and behind the bows.

Fraction and Aja, the team behind *Immortal Iron Fist*, reteam for this new look at one of Marvel Comics' greatest heroes. Join them this August as Hawkeye lets fly with one of his famous arrows and leaves a mark in the new *Hawkeye* series!

THE SKIES BECKON FOR THE ROCKETEER IN A NEW MINI-SERIES

Comic book readers soared into the sky with a rocket-powered jetpack on their backs in the pages of Dave Stevens' beloved comic, *The Rocketeer*, which mixed pulp thrills, derring-do, and luscious artwork. IDW Publishing picked up the torch with two anthology series in which top writers and artists told short stories of test pilot Cliff Secord and his adventures in the air.

Now, the first long-form *Rocketeer* story in twenty years arrives in *The Rocketeer: Cargo of Doom*! A four-part mini-series from Mark Waid (*Irredeemable*) and Chris Samnee (*Thor: The Mighty Avenger*), *Cargo of Doom* evokes the best qualities of the Saturday morning serials of yore for a tale of adventure, romance, jet packs, danger, and mystery!

Soar into the stratosphere with Cliff Secord as he straps the jetpack onto his back and slaps the helmet on his head in *The Rocketeer: Cargo of Doom*. It's the adventure that fans have been waiting two decades for, and it begins this August!

SNAP CITY NEEDS A NEW HERO – IT GIRL!

When the Atomics are away from Snap City and danger threatens while zany adventures beckon, who will heed the call? None other than It Girl!

The star of the *It Girl* special and guest star in the pages of Mike Allred's *Madman* graduates to her own ongoing series *It Girl & the Atomics* from *Love You Love's* Jamie S. Rich and *Battlepug's* Mike Norton. The Skunk, the villain who murdered It Girl's sister, is out of prison and on the streets, while Dr. Flem needs a test subject for his latest trans-temporal experiments. What's It Girl to do? Save the city? Explore space-time? Find a little love?

Under a cover by *Madman's* Mike Allred, It Girl strikes out on her own for the coolest comic adventures this side of an all-night java bar in this August's wildest ride, *It Girl & The Atomics* #1!

IS THERE CAKE, OR IS THE CAKE JUST A LIE?

One of the most innovative and talked-about games of the last five years is *Portal 2* from Valve, a puzzle-platform game that makes creative use of physics and questions the nature of reality itself. But what makes *Portal 2* so impressive is not the physics and the metaphysics, but the reality of the world itself. There is a cohesiveness to the world of *Portal 2*, and a beauty as well, making *Portal 2* an experience that gamers will want to revisit time and again.

Dark Horse Comics goes behind the scenes of *Portal 2* with their new artbook, *The Art of Portal 2*. Produced in conjunction with Valve, *The Art of Portal 2* delves into the creative process that created the world of the game. From concept art to final CGI renders, every step in the process that led to the final game is documented. Interviews with the producers, writers, and artists further flesh out the story of *Portal 2*, taking readers on a tour through the creative process that led to the final game.

No fan of *Portal 2* will want to miss *The Art of Portal 2* this autumn!

WREST CONTROL OF THE GALAXY WITH THE STAR WARS: X-WING MINIATURES GAME

A galaxy aflame with war, in which mighty starships let loose with singleship fighters, and the fate of battle hangs on mechanical supremacy and individual skill requires a special kind of warrior. One with nerves of steel, with a quick mind and even quicker reflexes. These are the pilots of the Rebel Alliance and the Imperial Starfleet, and they do battle in the skies over Hoth and Yavin, Dantooine and Endor. Now you can join them with Fantasy Flight Publishing's Star Wars: X-Wing Miniatures Game!

Starting with the Core Set, you and your friends can take a single ship up to a squadron into battle, pitting the Rebellion against the Empire. Then you can customize and improve your fleet and the ships at your disposal with additional X-Wing, Y-Wing, TIE-Fighter, and TIE-Advanced (Darth Vader's personal TIE-Fighter) miniatures.

The battle awaits. Grab a flight suit, suit up, hop in the cockpit of your ship, and take the battle to the enemy with Fantasy Flight's Star Wars: X-Wing Miniatures Game this summer!

CAPTAIN AMERICA REPORTS FOR DUTY WITH A NEW STATUE

66

Rejected for the Army due to physical frailties, Steve Rogers became the subject of the super-soldier project. His physical abilities enhanced, he became America's patriotic hero Captain America during World War II and then, years later, returned when his frozen body was discovered frozen in the Arctic ice. Dark Horse Comics recreates the soul of the Marvel Universe with their latest *Classic Marvel Characters Statue*, the Captain America statue!

\$2.99	Ongoing

By working for Deepscan—the company that recruits Slayers as bodyguards—Buffy thought she would disengage herself from the world of demons and garner a more significant income, to boot. While the income may get her closer to paying off pesky student loans, the demony population is closer to her than ever, thanks to her first client. Buffy, under the tutelage of a disgruntled and heart-broken Kennedy, has her work cut out for her and is forced to call on the honorable Eldre Koh for help, culminating in a little demon-on-demon violence.

CAPTAIN AMERICA

On sale Oct 17

Limited to 750 numbered pieces

Packaged in its own tin box, with a pin-back button and character booklet

Measures 5" tall

\$49.95

The third release in this second series is considered one of the greatest comic book heroes of all time: Captain America.

Created by Joe Simon and Jack Kirby in 1941, Cap became one of the most popular and inspirational characters of World War II. After fading away in the 1950s Captain America was revived during the 1960s Marvel explosion by Jack Kirby and Stan Lee in *The Avengers* #4, released in March 1964. He has been a mainstay of the Marvel line ever since.

GAME OF THRONES: IRON THRONE REPLICA

On sale Nov 28
14" tall
Limited edition of 500
\$295.00

The most iconic image in the acclaimed HBO series *Game of Thrones* is, of course, the titular Iron Throne itself. It is located in the Red Keep in the city of King's Landing. When they say, "Win or die," this is what they are talking about. When King Aegon the Conqueror forged it, the swords of all the hundreds of lords who surrendered to him and offered him fealty were melted down into a throne of imposing size and appearance.

Dark Horse Deluxe, working with HBO Licensing and the talented artisans at Gentle Giant Studios, have replicated the throne prop from the series. Not a single sword has been overlooked, in either sculpture or paint application.

\$79.99

The Starks are an ancient house, whose ancestral castle, Winterfell, was built thousands of years in the past. Winterfell is located in the center of the northern province of the Seven Kingdoms, on the Kingsroad that runs from King's Landing to the Wall. Beneath Winterfell lie the Stark family crypts, ancient final resting place of the line. The crypts are guarded by carved dire wolves, an unusually large and intelligent species of wolf represented in the family's house sigil.

We have worked with the production team of *Game of Thrones*, facilitated by HBO Licensing, to reference the actual prop from the series as the basis for a sculptural set of polystone bookends.

This hip-hop retelling of William Shakespeare's *Romeo and Juliet* focuses on Tybalt (derisively referred to as "the Prince of Cats") and his Capulet crew as they do battle nightly with the hated Montagues. Set in a *Blade Runner*-esque version of Brooklyn, *PRINCE OF CATS* is a mix of urban drama, samurai action and classic Shakespearean theater...all written in iambic pentameter!

Don't miss this original graphic novel written and illustrated by Ronald Wimberly (*SENTENCES: THE LIFE OF M.F. GRIMM*)!

BATMAN: ARKHAM CITY: SERIES 3 ACTION FIGURES

Welcome to Arkham City, the new maximum security "home" for all of Gotham City's thugs, gangsters, and insane criminal masterminds.

Set inside the heavily fortified walls of a sprawling district in the heart of Gotham City, it's filled with the most murderous villains from DC Comics' Batman universe. But Batman is ready to tackle it with all-new gadgets and his greatest—and most dangerous— allies. Which is good, because he'll need all the help he can get for his journey into the darkest corners of Gotham City.

Based on the blockbuster video game published by Warner Bros. Interactive Entertainment, developed by Rocksteady Studios, and licensed by DC Entertainment.

JOE KUBERT'S TARZAN OF THE APES: ARTIST'S EDITION

Joe Kubert (w & a & c)

PC • 112 pages

\$ please inquire

Celebrate the 100th anniversary of **Edgar Rice Burroughs'** most enduring creation, *Tarzan of the Apes*! **Joe Kubert** is one of the most acclaimed comic artists ever. His career in comics began nearly 70 years ago and continues to this day. Throughout all those years his hallmarks have been a mastery of sequential storytelling and exceptionally fine drawing. Highlights of his career include work on *Hawkman*, *Enemy Ace*, *Tor*, *Sgt. Rock*, and the *Viking Prince*. But of all these exceptional artistic achievements one stands out: his remarkable adaptation of **ERB's** *Tarzan*.

This Artist Edition collects six complete stories by Kubert, including the four-part classic, *Tarzan of the Apes*—the defining story of young Lord Greystoke being orphaned in the African jungle and adopted by the she-ape Kala, and growing to manhood to become Tarzan, lord of the jungle.

SEE THESE CLASSIC TALES AS
THEY FIRST APPEARED: ON JOE
KUBERT'S DRAWING BOARD!

ADVANCE SOLICITED FOR
SEPTEMBER RELEASE!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in **COLOR** to mimic as closely as possible the experience of viewing the actual original art—for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

AMERICAN
COMICS

The Complete Skippy begins the first-ever series to reprint the legendary Skippy comic strips by Percy Crosby. Debuting in 1923 in *Life* magazine, *Skippy* moved to the comics pages in 1925 and soon became a sensation, published in 28 countries and 14 languages. In 1931, *Skippy* became the first comic strip to see its film version win an Academy Award. Crosby continued writing and drawing the feature until 1945.

Perhaps more than any other cartoonist before him, Crosby brought philosophy and politics to the American newspaper comic strip, ultimately leading to his exile from comics and his forced incarceration in a mental institution for the last sixteen years of his life. As a result of his tragic end, Crosby's remarkable contributions to American culture have been largely eclipsed, until now.

Co-edited by **Jared Gardner** and **Dean Mullaney**, and designed by **Lorraine Turner**, the premiere volume contains the daily comics from 1925 through 1927 and is illustrated with many photographs and rare artwork from the collection of the cartoonist's daughter, **Joan Crosby Tibbetts**, and Skippy, Inc.

SKIPPY CAN BE SEEN AS THE SPIRITUAL ANCESTOR TO PEANUTS AND CALVIN AND HOBBES, AMONG MANY OTHER KID STRIPS. CROSBY INFLUENCED CARTOONISTS FROM CHARLES SCHULZ TO WALT KELLY AND GARRY TRUDEAU.

RIP KIRBY, VOL. 5

The fifth volume of the Harvey Award-nominated Rip Kirby features the incredible art of **John Prentice**, who picked up the pen and ink duties after **Alex Raymond's** death and continued drawing the strip for decades. Prentice received three Reuben Awards for the series, in 1966, 1967, and 1986. **Fred Dickenson**, who had been writing the strip with Raymond, keeps the continuity going for Prentice's exquisite art. Volume Five contains more than 800 comics, every one from October 22, 1956 to June 6, 1959. Edited by **Dean Mullaney**. Introduction by **Brian Walker**.

Question of the Month

“QUICK! WHY ARE COMICS SEXY?”

“It’s the way you hold them in your hands, the feel of the grit between your fingers, the texture of the ink. Comics are a tactile reading experience.”

IT-GIRL AND THE ATOMICS

“Well, if comics are sexy, and that’s a massive ‘if,’ they’re sexy because they allow a creative freedom not found in other mediums. But mostly comics are sexy ‘cause writers, with their pasty skin, lack of exposure to real sunlight, and pickup lines that have the words ‘green’ and ‘lantern’ in them are so damn good-looking.”

HARVEST, COWBOY NINJA VIKING

“Ideally you get the creators brain spilled right onto the paper. And many times they show more than they planned to show on the page. All their fears and passions in your hands.”

PROPHET, KING CITY

“You can kiss them and stroke them and they look good in leather.”

THE BULLETPROOF COFFIN, THE DARKNESS

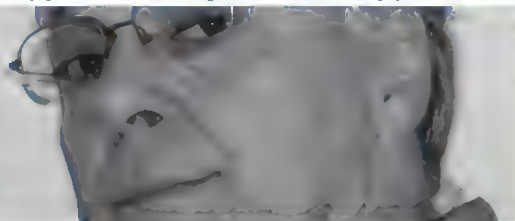

“Because teenage boys can’t get into the strip clubs.”

THE THIRD DEGREE HOWARD CHAYKIN

Howard Chaykin is the creator of *American Flagg*, *Mighty Love*, *City of Tomorrow*, and co-creator of *American Century*. His semi-autobiographical, jazz-infused graphic novel series *Time²* was published in 1986. His boundary-pushing series *Black Kiss* was a sensation when it was published in 1988. He returns to the series with *Black Kiss 2*, being published this August by Image Comics.

What are you working on right now?
BLACK KISS 2, chapter 4.

What’s the best part of your job?
Working in my underwear, should I see fit.

What’s the worst part of your job?
Having people find out I work in my underwear, should I see fit.

How did you first discover comics?
My cousin gave me a refrigerator box filled with every kind of comic imaginable. I was hooked from day one.

If you weren’t working in comics, what would you be doing?
Musical theater.

What’s the best thing a fan has ever said to you?
Who are you and what do you do?

Who is the biggest influence on your work?
Gil Kane.

What is the single work of which you’re most proud?
Time²

Own up to one of your guilty pleasures.
Strike Back on Cinemax.

What was the last comic book you bought?
I have no idea, it’s been that long.

If you could be someone else for a day, who would it be?
Lester Young in 1939.

Pick three things you couldn’t live without.
My beautiful wife, roast pork, and Count Basie records.

What’s the strangest thing you have in your house?
Define strange.

What makes you laugh?
Thirty guys dressed as Wookiees parading in 105 degree heat.

What is one of your favorite places?
The Kona coast of the Big Island of Hawaii.

What music are you listening to these days?
Jazz from the 1930s, mostly Duke Ellington and Count Basie (see above).

What is your favorite film of all time?
The Remarkable Andrew.

Who is your best friend?
Really, now.

What is the best advice you’ve ever received?
“Who gives a shit what they think?”

When was the last time you were truly frightened?
This morning.

Name someone you really admire and explain why.
No.

What would you like to see happen in comics in the next 12 months?
Nothing in particular.

BLACK KISS II #1

Sex, death, and the movies — what else really matters? Nearly twenty five years ago, HOWARD CHAYKIN brought the 80s to a close, and comics to the brink, with his landmark erotic thriller: *BLACK KISS*. Now, after years of anticipation, he’s back with issue one of *BLACK KISS II*, a six-part miniseries that tells the story behind that legendary story — like the original, in glorious black and white.

IT GIRL & THE ATOMICS #1

Fresh from the pages of Mike Allred’s *MADMAN*: Soap City’s favorite heroine is ready for her own crimefighting adventures! With the Atomics boys in outer space, it’s up to It Girl to keep the streets safe. Easier said than done: The Skunk, the man who murdered her sister, is out of jail and back in old tricks. Meanwhile, Dr. Fleem has a brand new space-time experiment and wants It Girl to be his guinea pig!

THINK TANK #1

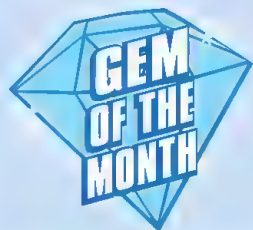

FIGHTING THE MAN... WITH SCIENCE! Dr. David Loren is many things: child prodigy, inventor, genius, slacker... mass murderer. When a military think tank’s smartest scientist decides he can no longer stomach creating weapons of destruction, will he be able to think his way out of his dilemma or find himself subject to the machinations of smaller men?

HARVEST #1 (of 5)

Human traffickers. Rogue medical teams. Yakuza run organ mills and a six year-old drug fiend. Welcome to Dr. Benjamin Dane’s nightmare. His only way out? Bring down the man who set him up by reclaiming organs already placed in some very powerful people. If Dexter, CB and 100 Bullets had a three-way and that mind blowing tryst somehow resulted in a kid, that kid would read *HARVEST*. Medical Grade Revenge.

STAN DOES IT ALL FOR THE KIDS: THE STAN LEE KIDSCOMICS MONTH INTERVIEW

PREVIEWS: "Stan Lee's Kids Universe" (SLKU) is a new publishing imprint that focuses on material for young comics readers. Can you describe the nature of the company and its 'mission statement' for how it fits within the current comics industry?

Stan Lee: We wanted to bring a new set of exciting characters to a younger audience. Our books range from storybooks for a much younger audience, all the way up to graphic novels for elementary school kids. Some will be for pure fun and others will have a lesson for children to learn. *Stan Lee's Kids Universe* will make it fun for kids to read and pick up a comic book. The best way to get kids reading is to create the stories that inspire them to read.

P: *Comics designed for young readers are a growing part of the comics world, but it is a narrow playing field. What drives you to create an imprint solely focused on youth comics? What unique approach do you think is required of SLKU in order to succeed in making youth comics flourish?*

Stan: The kids drive me. They have very impressionable minds and we want to create both educational and fun ways to entertain them. Everyone remembers their favorite

characters from his or her childhood and we want to be able to create those new ones. Our approach to SLKU is to just have fun creating these stories. We want to be able to entertain kids of all ages and also use these new characters to teach.

P: *SLKU already offers a variety of different formats of comics and storybooks, sometimes combining the elements of both. What future plans are there to further explore the formats of youth comics?*

Stan: Our future plans for SLKU is to create a universe of stories that kids will get lost in. We will continue to create both storybooks for our younger readers and graphic novels for those older kids looking for excitement. Another important part for the future is creating a more in depth experience within the digital aspect of an ever-growing industry. Which means creating more games and apps that take the readers deeper into the books. But the most important part is making kids laugh and smile for years to come!

ECONOMIX: HOW AND WHY OUR
ECONOMY WORKS (AND
DOESN'T WORK) GN

(W) Michael Goodwin (A/CA) Dan Burr
Stimulus plans: good or bad? Free markets:
How free are they? Jobs: Can we afford
them? Occupy Wall Street... worldwide!
Everybody's talking about the economy, but
how can we, the people, understand what
Wall Street or Washington knows — or say
they know? With clear, witty writing and
quirky, accessible art, this important and
timely graphic novel transforms "the dismal
science" of economics into a fun, fact-filled
story about human nature and our attempts
to make the most of what we've got. It's the
essential, accessible guide to understand-
ing the economy and economic practices.

The Adventures of a Con-Con Con #1

Writer: Matt Spradlin & Dana Brazel-Solovy
Artist: David Beauchene

Follow Dana on her misadventures in and around the comic convention scene. It's a fast and furious look at the quirky characters of the comic community and their rivalries, where the battles are so bitter because the stakes are so small. Dramatic license has been taken with the con goings-ons, but the content will still have you nodding in ruthless agreement. (miniseries, full color, 32 pgs., \$3.99 U.S.)

Library of Theology at Yale

Story/Art: Fred Perry

The Friendly alliance assembled against Dreading disintegrates quickly when spies frame Princess Debra as a traitor! Gena, Brit' and the Edge-Guard have to slip into enemy territory to get evidence on the real traitor before Debra's trial... and execution! A whodunit issue with lots of intense stealth, action, and combat! (monthly, full color, 32 pgs., \$3.99 U.S.)

Dragon Arms Weapons of War #2 (of 6)

Story/Art: David Hutchison

"Laid to Rest, Part 2" in the wake of last issue's battle, a hero lies dying and nothing will be the same. Naga, in possession of the Chaos Blade, abandons her fellow renegades to wage a one-woman war against Eon and his army of demons. Powerless, leaderless and on the run, what will our heroes do to hold the world together? (miniseries, B&W, 32 pages, \$3.50 U.S.)

"Archie Marries Veronica." Archie and Veronica butt heads when the married couple can't see eye to eye on Archie's job offer from Mr. Lodge's business rival, Fred Mirth! Tempers flare when the typically laid-back Jughead discovers Ethel has a new flame in her life plus the strain of reality television begins to take its toll on reluctant star Betty. "Archie Marries Betty." In Archie's counter-part reality, the gang welcomes back an old friend in need of support during a trying time. Cheryl Blossom breaks the news of her cancer diagnosis in the most touching issue of *Life with Archie* yet, proving that in Riverdale, home is truly where the heart is! (STK469437)

NEW CRUSADERS: RISE OF THE HEROES #1

(W) Ian Flynn (A) Ben Bates & Various (CA) Ben Bates

Red Circle Comics presents "Ashes to Ashes," Part One! Our world demands heroes, and a new generation must rise! Over a decade ago, the super hero team known as The Mighty Crusaders did the impossible: they won. Successful in their battle against evil and finding they'd made the world a better place, the heroes settled down to the small town of Red Circle to start families, unwind and take a much-deserved rest. When the quiet town is rocked by the return of the ultimate evil, the super hero residents are obliterated! It's up to their heirs to fight for justice and crusade against evil. They are our last, best hope. They are The New Crusaders! (STK469449)

THE COMEBACK KINGS TP

(W) Gabe Guarente, Matt Sullivan (A/CA) Ethan Young

Bruce Lee. Jim Morrison. Elvis Presley. Andy Kaufman. Tupac Shakur. All controversial cultural icons who died before their time. Or did they? In this buzz-worthy comic, the superstars are alive and well, reuniting for an encore to stop a reality TV villain from executing a Hollywood holocaust. And they have help from a new recruit—Michael Jackson. The first two issues earned praise from the Huffington Post, Newsarama, and Geek Goggle Reviews. Those issues, along with the exciting conclusion in this trade paperback, beg the question: Is death the ultimate career move? (STK469873) (C: 0-0-1)

STEFANI RENNEE

Just when you thought it was safe to go back to High School... Aspen Comics proudly presents an all-new series created by Michael Turner, Scott Lobdell and David Wohl. **HOMECOMING!**

BLACKADE (DAVID WOHL, SCOTT LOBDELL & BRAD FOXHOVEN)

Hunter Wilson is just an average American teenager in an average American town, but when the beautiful and amnesiac Celeste arrives in his backyard, Hunter's life will change forever. He discovers that Celeste had disappeared from that very house 10 years earlier, and now she's back with little memory of who she was--but with strange, fantastic abilities and the knowledge that dark forces are rapidly approaching!

Now, Hunter must help Celeste regain her memory while he tries to keep himself and his friends safe--and if that wasn't difficult enough, Homecoming is just a week away and he doesn't have a date to the dance yet! **HOMECOMING #1** is in stores August 15th, 2012!

ABOUT: The first volume of the most popular Horror web comic is finally here! Crossedcomic.com has been delivering weekly chapters of this blood-stained epic and now the legion of fans can finally buy it in print! Simon Spurrier and Javier Barreno take us on a fresh journey into pain and misery with a new batch of survivors in the brutal Crossed world.

This is the story of a writer who witnessed the downfall of London, and now finds himself in the midst of a new community, a new start, on a barren island off the Scottish coast. Pretending, just for a while, that he's safe, that he's useful... that he has a future. It won't last. There's no sanctuary. No fighting back. No hope. There's only the Crossed. Available with a Trade Paperback, Hard Cover, and a special Signed Hard Cover Edition (limited to 1000 copies, signed by Si Spurrier and Jacen Burrows) all featuring covers by Burrows!

(W/A/CA) Donya Todd
 Meet the Nubian sisters: Betsy, Bunny, and Batstone. A hangover is the least of their problems after a tequilla-fueled night in the Mexican desert leads to Betsy having a threesome with an anthropomorphic washing machine and Death himself. Love-struck, the Grim Reaper decides that he wants Betsy's fleshy pink hand in marriage. As if that weren't bad enough, Betsy's woes are magnified when she discovers she's pregnant with Ol' Washy's child! (STK469851) (C: 0-1-1)

**HUNCH PARSONS SC**

(W/A/CA) Warwick Johnson Caldwell
 All across the city, known bounty hunters are turning up dead: victims of an unseen assassin that has the police chiefs dumbfounded. Who could be behind these hits and — more importantly — who the hell is crazy enough to take the case? Enter, Hunch Parsons: the force's foremost Lucha Libre mask-wearing, twin pistol-slinging super-cop. As the meanest officer to ever wear the CCPD blue and gold, Hunch arrives on the scene to kick ass first, take names later and hunt down the scumbags behind the escalating violence in the interim. BLOOMSBURY

THE ODYSSEY BLOOMSBURY ED GN

(W) Seymour Chwast, Homer
(A/CA) Seymour Chwast

Seymour Chwast, an icon of the graphic design world, turns to Homer's *Odyssey*, one of the best-known stories in history. The tale is one that begs for visual interpretation, filled with mythic characters we all know well: the Cyclops, the Lotus-Eaters, the cannibal Laestrygonians, the Sirens, the monster Scylla (beside the whirlpool Charybdis), Poseidon, Athena, and Zeus. Featuring a bold black, white, and blue interior design throughout, and imbued with Chwast's own sly humor, *The Odyssey* brings us a dazzling new vision of one of the epic journeys. Paizo's incredible award-winning, best-selling fantasy world, fiction line and tabletop RPG is now the ultimate fantasy comic from Dynamite Entertainment!

Valeros can only rely on his sword arm and his friends, the mysterious and beautiful sorcerer Seoni and silver tongued quick-witted elven rogue Merisiel, but nothing can prepare him for the dangers that lurk ahead. The scattered and chaotic goblin tribes of Varisia are changing, growing in power and unifying in ways no one has ever seen before. At the heart of this strange evolution is an ancient evil looking to establish itself anew.

The iconic heroes at the core of the Pathfinder's world are brought to life for the first time in a brand new story full of charm and high adventure that will please fans and entertain new readers alike. Issue 1 clocks in at 40 pages (and remains \$3.99) and includes over 10 pages of character profiles and Pathfinder RPG game statistics, plus an **EXCLUSIVE**, removable, playable tactical map and poster.

AN INTERVIEW WITH PATHFINDER WRITER JIM ZUB

For anyone not familiar with Pathfinder, can you briefly describe what it is and how the comic relates to it?

In short: Pathfinder is classic fantasy done right.

The setting is a huge fantasy world packed with amazing locales, memorable characters and adventure galore. Although it began as a tabletop role-playing game, it's now grown into a popular setting for novels and been embraced by thousands of dedicated fans around the world.

Pathfinder has always been very cutting edge, from its open play test development to the various online resources available to players and Game Masters. What excited you the most about bringing that history into yet another media as a comic book?

Pathfinder has tons of potential. The Paizo gang have built such an incredibly varied setting that feels new and exciting while drawing upon classic sword & sorcery roots. Having such an immense and well thought out playground to base these stories in is intimidating and exciting at the same time. The fact that I also get to help define and expand the iconic characters that have come to represent Pathfinder visually over the years makes it even better.

The world of Pathfinder is very extensive and well known to the fans, how involved have the game design team been with the creation of this book?

They've been deeply involved in all the right ways. My focus has been on creating memorable characters and a great storyline to grab new readers and long time fans alike. Although I've done a lot of research on Pathfinder and the specific aspects of the world covered in the comic, the design team has been incredibly helpful at suggesting details and making sure everything rings true to the setting without taking away from my core writing process. It's been a great balance of character building mixed with placing the scenes properly in the overall setting so that everyone's happy.

What unique challenges does that present to you as a writer?

I've done work with licensed characters and properties before, but working on Pathfinder has been quite unique because the main characters haven't been defined in detail. They're incredibly well known by the fans and visually brand every Pathfinder product, but their stories have never been told until now.

The main characters you are using should be familiar to Pathfinder gamers from the various source materials. How do you approach writing established characters like these?

In fiction and in gaming having memorable and engaging characters is key. The comic is no different, so characters come first.

Although each character had a personality/history "brief", there wasn't much about how they interact as a group or the broader goals that drive them. Getting that figured out by creating an interesting group dynamic was my first goal. I want readers to instantly understand who these people are and to bond with them as individuals and as a group. As intimidating as it is to be establishing these iconic characters, I've done all I can to stay focused on making them approachable and appealing rather than psyching myself out by trying to do too much all at once.

Fans of Pathfinder have been told that Valeros doesn't follow orders or that Merisiel lives life to the fullest, but I get to specifically show those things and build upon that base to create an entertaining story.

Due to the source material, these characters even have established looks. How are you collaborating with the art team to bring the characters to life and share your joint vision of their world?

Having such a wealth of art reference already established helps

generate all kinds of visual ideas that work well with the comic medium. How characters move, what abilities they have, all the crunchy gaming rules and art reference helps me write something interesting and push away from generic "so and so swings a sword" kind of stuff.

What new things can readers expect to learn about these characters in the coming stories?

The first few issues push ahead with plot and lots of great action. Once that momentum is well established we'll give readers a chance to catch their breath a bit and also start defining a bit of each character's past - their fears, their goals, their desires.

Do readers need to know the game to enjoy the comic?

Nope. Not even a bit and I'm very proud of that.

When I pitched my take on Pathfinder to Paizo and Dynamite that was an absolute for me - new readers need to be able to enjoy this series on its own merits, discovering the characters for the first time and growing attached to them above and beyond any of the title's gaming roots. It's a great fantasy story with compelling characters first and a licensed tie-in product second.

Any hidden surprises for readers that DO play the game?

Lots of little details, cameos and phrases are right from the source-books, absolutely. New reader friendly doesn't mean that we're ignoring the loyal fan base who know this world inside out. They'll find all sorts of great stuff tucked in there that plays to the bigger picture.

Did you play the game before getting the offer to write Pathfinder comics?

You betcha. I'm an old school gamer who has been playing tabletop games since I was 8 years old. My crazy work schedule keeps me from playing in long running RPG campaigns any more but my heart is still d20-shaped, I assure you.

What material are you drawing inspiration from outside the Pathfinder world?

Classic fantasy novels, both pulp stuff and more modern, and ensemble character stories that have engaging relationships like Buffy the Vampire Slayer. I want readers to bond with this group and follow along as they confront challenges, grow and change.

Do you plan to follow any of the existing Adventure Paths or will these adventures be all new?

The stories we have planned are brand new, though there may be cameos or references to existing Adventure Paths. We didn't want Pathfinder fans to know where the stories were headed but we're also making sure the stories don't wreck any material that's been established.

The land of Golarion is vast with a huge amount of history and variety, any plans to take the characters to other areas like Ustalav?

The first story takes place in Sandpoint and the surrounding area, but there are plans to have the group travel farther as things progress in future issues. I'm hopeful we'll send them on many journeys far and wide. Once that core group is well established it'll be exciting placing them in new areas and seeing how they react.

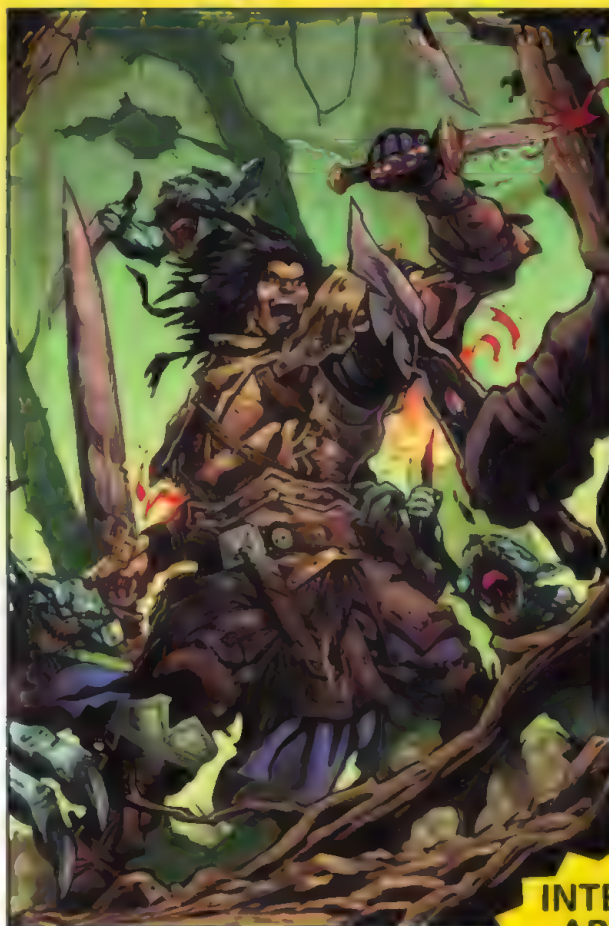

What can readers expect from future issues of the Pathfinder comic?

Action, wit and swashbuckling joy told through an engaging and entertaining character cast. It's a tall order, but I think I'm the Game Master up to the task. :)

At last, Catelyn Stark and her prisoner, Tyrion Lannister, have reached the Eyrie, the lofty citadel of Catelyn's sister, Lyanna, the grieving widow of Jon Arryn. Because Lyanna believes that the Lannisters were responsible for her husband's death, Catelyn had thought to find an ally in this forbidding refuge. Instead the refuge seems more like a prison . . . and the "ally" a fearful and vindictive madwoman. Meanwhile, across the Narrow Sea, Daenerys Targaryen is also faced with a sibling's madness—her brother, Viserys, impatient for the crown promised him by Khal Drogo, grows increasingly unable to hold his rage in check.

The battlelines are drawn. With each passing hour, the sorcerer Kulan Gath uses the Mayan 2012 doomsday prophecy to push the world closer to destruction. But his sworn enemy Red Sonja followed him through time itself, and has now gathered a team of allies to oppose Gath and his army of the dead. Joined by Vampirella, Dracula, Pantha, Herbert West the Reanimator and many more, Sonja has sworn to stop Gath, even if the cost is her own soul. Dynamite's biggest crossover ever rolls on, masterminded by writer Ron Marz, with artist Walter Geovani doing the best work of his career!

The Demon has been to hell. Now he's back, ready to take revenge on the person who sent him there: Sara Pezzini. As the Demon continues to taunt and test Sara with a horrific series of murders, Sara's fragile grip on her home life starts to slip. Meanwhile, the Witchblade screams for justice against another sadistic criminal who has been set free. Sara must struggle to control her own desire for vengeance. When ghosts from the Witchblade's bloody past invade Sara's home, she may finally lose control altogether. The road to hell beckons, with the Demon as Sara's personal guide.

ばるばる Barbara

Osamu Tezuka

Wandering the packed tunnels of Shinjuku Station, famous author Yosuke Mikura makes a strange discovery: a seemingly homeless drunk woman who can quote French poetry. Her name is Barbara. He takes her home for a bath and a drink, and before long Barbara has made herself into Mikura's shadow, saving him from egotistical delusions and jealous enemies. But just as Mikura is no saint, Barbara is no benevolent guardian angel, and Mikura grows obsessed with discovering her secrets, tangling with thugs, sadists, magical curses and mythical beings – all the while wondering whether he himself is still sane.

DRAWN & QUARTERLY

SPOTLIGHT ON

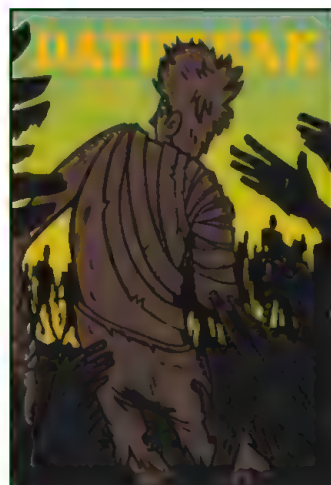

CAVE-IN ON

(A/CA) Brian Ralph

A rat darts across the opening pages, into a hole, and down a long tunnel, stopping under a hammock. A mole man stretches and wakes up, leading the rat and the reader deeper into the tunnel. What follows is a series of dreamlike sequences, each stranger than the last. Brian Ralph, author of *Daybreak*, was a founding member of the influential Fort Thunder art collective, which was renowned for the way its members' work intermingled lowbrow and highbrow art forms. In this wordless classic, special emphasis is placed on the power of gesture. *Cave-In*

is an all-ages adventure story, jam-packed with monsters, bats, and all manner of unimaginable underground mystery. (STK469795) (C: 0-1-2)

DAYBREAK HC

(W/A/CA) Brian Ralph

You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep. And then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your newfound protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival — *The Road* meets *Dawn of the Dead*. *Daybreak* is seen first-person through the eyes of a silent observer as he follows his protector and runs from the shadows of the imminent zombie threat. NIPPER VOLUME 3: 1967-1968 TP

(W/A/CA) Doug Wright

Doug Wright's masterful newspaper strip returns to suburban life in the late 1960s, where not even the countercultural tumult of the times could ruin domestic bliss or distract from sibling rivalry. Things are still fun, innocent, and wholesome in the suburbs: there's road hockey in the streets, boys have their friends over for sleepovers, and kids play freely on their own outside, with little or no parental supervision. Wright's stellar draftsmanship, fond eye for detail, and brilliant sense of comic timing shines throughout this volume of the *Nipper* series. (STK469802)

STARS of the MONTH

NIPPER TP'S

(W/A) Doug Wright (CA) Seth

In 1963, Canadian cartoonish Doug Wright introduced the world to *Nipper*, the mischievous little kid who starred in the ingenious and enduring comic strip. These volumes cover a peak period in Wright's four-decade career as he comes into his own as an iconic cartoonist capable of documenting middle-class suburban existence in all its minute joys and indignities. LENORE: SWIRLIES HC Titan Books

Despite the fact this series is a little too creepy for some tastes, I love *Lenore*, the little living dead girl. It has a charm I haven't found in too many other comics out there, and always look forward to the next issue. While this isn't new material because it's a collection of some of the ongoing issues in hardcover format, it's still exciting nonetheless.

JINCHALO GN

(W/A/CA) Matthew Forsythe
Jinchalo is Korean for "Really?" and that question is at the heart of this book. When the mischievous shapeshifter Jinchalo hatches from a mysterious egg, he starts our heroine adventuring anew. Magical troubles drag the pair out of the safety of her home. These comics are firmly rooted in Korean folktales and stylistic conventions, with a playful, joyous line to create a Miyazaki-tinged dreamscape where spotted octopi fly and bears give piggy-back rides. Limbs are swapped and pants are dropped in *Albert and The Others*, a collection of wordless strips that expose the pleasures, pitfalls and perversities of masculinity. Guy Delisle delves deep into the male psyche and emerges with 26 alphabetically arranged strips, named after the men who tumble through the pages. These elastic protagonists risk damnation and dismemberment in a series of improbable slapstick relationships with women that veer from the titillating to the downright macabre. (STK358208)

O/A ALINE AND THE OTHERS GN

(W/A/CA) Guy Delisle
Women literally lose their heads as they swap limbs and lovers in *Aline and the others*, a collection of 26 sublimely perverse wordless strips by Guy Delisle, best known for his books from D+Q, *Pyongyang* and *Shenzhen*. Arranged alphabetically, the strips are named after their 26 vivacious female protagonists who stretch, shrink, disappear into one another's orifices and jump off the page in stories that are as hilarious as they are utterly bizarre. AMELIA RULES! VOLUME 8: HER PERMANENT RECORD Simon & Schuster

Once you first met Amelia Louise McBride you understood immediately why *Amelia Rules*. Amelia was real, as were her friends and family, even those wannabe superheroes like Pajamaman. Amelia has dealt with parents divorcing, moving to a different city, new school, new friends, "dating," and – worse! – her mom dating a man not her father.

Eleven years and many comic books, self published trades, and seven collected volumes later, *Amelia Rules! Volume 8 Her Permanent Record* brings Jimmy Gownley's *Amelia Rules* series to an end — I'm hoping not a permanent end!

In this "last" book in the series Amelia is now on the cheerleading squad, her friend Reggie is finding success, her Aunt Tanner was finding success again in the music field, but like Peter Parker you know something has to happen when life runs too smoothly. When Amelia's aunt Tanner disappears it's up to her to get on the bus and try to find her and bring her home to family and friends.

Jimmy has a way to make the most absurd characters real and those already real like family. Amelia definitely rules!

THE RIDE: SOUTHERN GOTHIC #1 12 Gauge Comics

It's been some time since the titular '68 Camaro has graced comic pages, acting as the core for a variety of strange, intriguing, and action-packed stories about the lives of those who come in contact with this mysterious piece of Detroit muscle. Years have passed, but these tires still have good tread on them. It looks like the dust cover is off, and this iconic catalyst for vehicular mayhem is leaving the garage once again.

They say the road to hell is often paved with good intentions but *The Ride: Southern Gothic* shows us that; regardless of the intentions, the road to hell is usually whatever stretch of blacktop we find the pitch-black machine. The adventures continue and more people find themselves behind the wheel but some of them have evil in mind.

The Ride: Southern Gothic brings us the same high-caliber art and writing readers have come to expect from the series with the likes of Ron Marz, David Lapham, Rick Leonardi, and others so it's not a question of whether readers will enjoy the ride, it's only a matter of whether they can bear to wait for the next issue.

THE LOVE AND ROCKETS COMPANION: 30 YEARS (AND COUNTING)

edited by Marc Sobel and Kristy Valenti

\$24.99 / SC / 240 pgs / BW / 7.5 x 9.25

The Love and Rockets Companion contains interviews with Gilbert, Jaime and Mario Hernandez, foldout family trees for both Gilbert's *Palomar* and Jaime's *Locas* storylines,

unpublished art, a character glossary, timelines and the most wide-ranging Hernandez Brothers bibliography ever compiled, including album and DVD covers, posters and more. A must-have for old fans and for those new to the series, it will make jumping in seem less daunting.

LOVE AND ROCKETS: NEW STORIES #5

by Gilbert and Jaime Hernandez
\$14.99 / SC / 104 pgs / BW / 7.25 x 10.5

In this 30th Anniversary Issue, Jaime shifts focus onto "Frogmouth" and her half sister Tonta whilst introducing some new characters. Gilbert takes one of his current characters into the *Palomar* milieu and brings back a number of the classic *Palomar* characters. This will be a much-anticipated homecoming for fans of the "classic" *Love and Rockets* of

the 1980s. Thirty years in, *Love and Rockets* continues to surprise and delight.

THE CAVALIER MR. THOMPSON

by Rich Tommaso

\$16.99 / SC / 144 pgs / PC / 6 x 9

Loosely based on the works of real-life crime writer Jim Thompson, cartoonist Rich Tommaso presents a story that's one part crime and one part American History. Set in the small oil town of 1920's Big Spring, Texas, this book follows the trials and tribulations of aspiring detective Sam Hill... and family.

BARACK HUSSEIN OBAMA

by Steven Weissman

\$19.99 / HC / 112 pgs / PC
7 x 9

Steven Weissman presents a dada-esque, surrealistic parallel America where Joe Biden, Hillary, Newt and Obama wander through an America they have made and now must live in, like it or not. Weissman gives them new lives that are

withering and oblique, devastating and contemplative, chaotic and pellucid. *Barack Hussein Obama* is a book about you, your country, your family and your president.

THE RAVEN

New Softcover Edition!

by Lou Reed and Lorenzo Mattotti

\$19.99 / SC / 188 pages / FC / 9 x 9

Lou Reed pays tribute to Edgar Allan Poe with this gorgeous book of art and poetry, made in collaboration with Italian illustrator Lorenzo Mattotti. Reed's streetwise sensibility and Mattotti's vivid and enigmatic

paintings work in surprising harmony with Poe's dark chronicles of terror and despair. An instant sellout when published in hardcover in 2011, this new softcover edition should leap off the shelves as well.

IS THAT ALL THERE IS?

New Softcover Edition!

by Joost Swarte; introduction by Chris Ware

\$25.00 / SC / 144 pgs / FC / 7.5 x 10.25

This new softcover edition of *Is That All There Is?* follows on the heels of the immediate sell-out of Fantagraphics' 2012 hardcover edition. This is the first English-language collection of this Dutch master and collates virtually all of Swarte's alternative comics work from 1972 with great pains taken to match his superb coloring techniques.

A GAME FOR SWALLOWS: TO DIE, TO LEAVE, TO RETURN GN

(W/A/CA) Zeina Abirached

The city of Beirut is cut in two by bricks and sandbags, threatened by snipers and shelling. East Beirut is for Christians, and West Beirut is for Muslims. When Zeina's parents don't return from a visit to the other half of the city, and the bombing grows ever closer, the neighbors in her apartment house create a world indoors for Zeina and her brother, where they can share cooking lessons and games and gossip. Together they try to make it through a dramatic evening in the one place they hoped they would always be safe — home. Zeina Abirached, born into a Lebanese Christian family in 1981, has collected her childhood memories of Beirut in a warm story about the strength of family and community.

THE BEATLES GRAPHIC GN
(W/A/CA) Hervé Bourhis
Hervé Bourhis turns his unique graphic talents to the legend of The Beatles, told from the very beginning. Bourhis' visual imagination illuminates the lives of each band member from their pre-Beatles youth to what would become a rock band of phenomenal worldwide fame. All of the epic details of their story are vividly evoked: the triumphs, the quarrels, the supreme musical creativity, and, of course, the inevitable break-up. There was the ultimate rock band story and Hervé Bourhis has done it and them full justice in this superb and exuberant graphic biography. (STK469598) (C: 0-1-2)

STEED & PEEL #0
BOOM! Studios

The real Avengers assemble! Extraordinary crimes against the people and the state must be avenged, and two such people step up — John Steed, top professional, and Emma Peel, talented amateur, together known as The Avengers.

Emma Peel and John Steed continue avenging in new adventures written by Mark Waid for BOOM! Studios, giving this iconic team the attention befitting the spy team supreme. This time around, the Hellfire Club has returned but they no longer pine for the glory days of the past but instead hearken to a new era, leather required! Once again, as Steed so quaintly says, "Mrs. Peel, we're needed!"

I trust Mark Waid to do this right, and while I've always wished to see them illustrated by Neal Adams, Jim Steranko, Walt Simonson, or John Byrne, there are many artists working today I know will do their adventures justice. Otherwise, Steed and Mrs. Peel will be avenged by fans extraordinaire!

UNDERWATER WELDER

Top Shelf

Welder Jack Joseph is under a lot of stress. His diving job on an oil rig takes him away from his wife for weeks at a time, and on some level he's already questioning whether he can be a good father to the child they're expecting. After a strange encounter on the ocean floor, Jack must return home on forced shore leave. Shaken and disconnected, he can't stop questioning what he saw underwater and what it means. Jack's fixation on this episode and its emerging ties to his youth drive him deeper and deeper into his memories until the combined pressures of future and past, fatherhood and childhood, begin to break down reality.

Damon Lindelof's introduction hits the nail on the head, calling Welder "the most spectacular episode of *The Twilight Zone* that was never produced." Jeff Lemire's long-awaited original graphic novel tackles the difficult legacy of imperfect fatherhood with a surreal and sensitive story rich in metaphor. Like many great works of fiction, *The Underwater Welder* delivers an emotional payoff that's difficult to describe in writing, but stays with you for weeks.

MORTIFERA #1

(W) Stephan Frost (A/CA) S. Partington
Demon hunter Catherine Gregor, her brother Ethan, and the demon Durin are in pursuit of the demon Kanisus, who has stolen the power to return his fallen brethren to Earth and slaughter humanity. The Mortifera are an order of knights that are venerably versed in using the dark arts against the damned. From the green, mythical hills of Ireland, land of legend, an archaic rivalry culminates in a battle between the demon Kanisus and Elias Gregor, founder of Mortifera. When Ethan and Catherine discover their slain father, not only are they faced with his death, but the knowledge that Kanisus has possession of vast quantities of demon blood — which will allow him to raise demons from hell. SPOTLIGHT ON

TREASURE ISLAND GN

(W) Robert Louis Stevenson,
Carlo Rispoli (A/CA) Carlo Rispoli
Treasure Island is an exciting adventure story, filled with morals that need to be incubated in a growing child. The author narrates these through the protagonist, Jim Hawkins, who is an immature, naturally curious, and adventurous young boy. The continuing theme of adventure throughout the story is interspersed with fear, sorrow, surprise, hope, and nostalgia; all the essential elements of life. The story is one of dream fulfillment that reflects the enthusiastic and adventurous nature possessed by young men. (STK469399)

**A CHINESE LIFE GN**

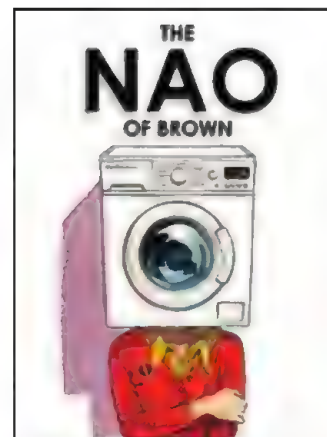

(W) Philippe Otié (A/CA) Li Kunwu

A Chinese Life is an astonishing graphic novel set against the backdrop of the creation of the People's Republic of China in 1949. This distinctively drawn work chronicles the rise and reign of Chairman Mao Zedong, and his sweeping, often cataclysmic vision for the most populated country on the planet. Li Kunwu spent more than 30 years as a state artist for the Communist Party. Working with Philippe Otié, the artist has created a memoir of self and state, a rich, very human account of a major historical moment with contemporary consequences. THE NAO OF BROWN GN

(W/A/CA) Glyn Dillon

Twenty-eight-year-old Nao Brown, who's hafu (half Japanese, half English), is not well. She's suffering from obsessive-compulsive disorder (OCD) and fighting violent urges to harm other people. But that's not who she really wants to be. Nao has dreams. She wants to quiet her unruly mind; she wants to get her design and illustration career off the ground; and she wants to find love, perfect love. She meets Gregory, an interesting washing-machine repairman, and Ray, an art teacher at the Buddhist Center. She begins to meditate to ease her mind and open her heart — and in doing so comes to realize that life isn't black-and-white after all; it's much more like brown. (W/A/CA) Jimmy Gownley

Meet Amelia Louise McBride. She's been forced to move out of Manhattan after her parents decided to get divorced, and is now living in a small town (who cares which one) with her mom and her aunt, Tanner. Not to mention the fact that she's dealing with being the new kid in school, many trips to the principal's office, first kisses, etc. But you know what? She's got her friends Reggie, Rhonda, and Pajamaman, and everything's going to be okay. Except, of course, when it isn't. (STK417566) (C: 0-1-2)

**MATT BAKER:
THE ART OF GLAMOUR HC**
(W) Jim Amash (A) Matt Baker
In the early 1940s, Matt Baker became one of the earliest African-American comic book artists. But it wasn't the color of his skin which made him such a significant figure in the history of the medium. Imagine Dave Stevens or Adam Hughes working in the '40s, drawing a new story every month, and you'll have a good idea of Matt Baker's place in the industry throughout his career. Yet few of today's comic book fans know of the artist or his work, because he died in 1959 at the young age of 38, just as the Silver Age of Comics was bringing in a new generation of readers. FEATURED ITEM

It's a globetrotting quest for the Valiant Universe's greatest secrets, from the New York Times bestselling team of Fred Van Lente (Amazing Spider-Man, Marvel Zombies) and Clayton Henry (Uncanny X-Men):

Obadiah Archer was born and raised to cherish three things above all else: the faith of his parents, the love of his 22 brothers and sisters, and his lifelong mission to defeat the ultimate evildoer. Now, after years of training, Archer has been dispatched to the heart of America's festering modern day Babylon, aka New York City, to root out and kill this infamous Great Satan. Unfortunately, dying has never been easy for Archer's target -- the hard-drinking, 10,000-year-old immortal known as Armstrong. Together, this unlikely pair of heroes is about to stumble headfirst into a centuries-old conspiracy that will bring the whole of ancient history crashing down on the modern day Valiant Universe. And that's going to mean one Hell of a hangover.

HARBINGER

HARBINGER #3

Welcome to the Harbinger Foundation. Class is now in session.

Throughout his whole life, Peter Stonchek has been confused by his strange powers and their effect on those closest to him. Now, having abandoned everything he knows, Peter has escaped to the confines of Toyo Harada's Harbinger Foundation where his new training will temper his body, torture his mind and reawaken the horrors of his past. But is all of this truly giving Peter more control over his power? Or simply making him far more dangerous than he's ever been before?

BLOODSHOT #2

Waking up inside a body bag is no way to start the day.

But that's where you are, and worse yet, you're 35,000 feet above the desert, guarded by the some of the toughest soldiers on the planet. You're being flown back to the people who created you, who may have even betrayed you. You're having a hard time separating your false memories (of family, duty, country) from the grim reality (of bullets, blood, screaming). Who's really on your side? Why were you created? Where does the "real you" end and the programming begin? There's only one way to find out -- by reaching up and zipping open this bag. And God have mercy on anyone who comes face-to-face with the weapon -- no, the man -- no, the soldier -- known only as Bloodshot.

X-O Manowar vs. 2012 A.D.

With the enormous power of the X-O Manowar armor at his command, Aric has returned to Earth hell bent on destroying the Roman Empire. But the Rome he encounters is as alien to him as the Vine colony ship he escaped from -- because 1,600 years have transpired in his absence. Without fully understanding the consequences of his actions, will Aric's first act in the modern day ignite a new world war? Meanwhile, the secret history of the Vine's presence on Earth is finally revealed. Who is corporate mogul Alexander Dorian? Will he be Aric's one ally in this strange new world -- or his very first enemy?

MESSAGE TO
ADOLF
VOLUME 1 GN

(W/A/CA)

Osamu Tezuka

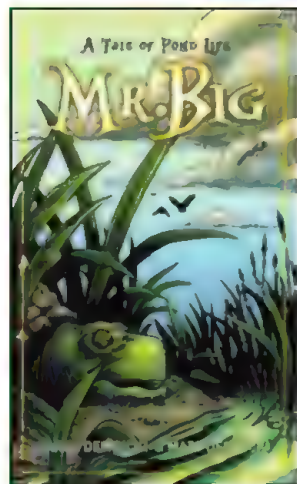

One of Osamu Tezuka's most cherished works returns in a new two-volume hardcover reprint. The godfather of manga returns with another *tour de force* as he takes on the topic of Adolf Hitler as told through two young men in Kobe, Japan, both named Adolf. *Message to Adolf* was a literary masterpiece in its time. Published in Japan's top literary journal, it is a provocative political thriller that poses the question of Hitler's past while examining Nazi Germany from a Japanese perspective. MR. BIG:
A TALE OF POND LIFE GN

(W) Carol Dembicki

(A/CA) Matt Dembicki

A stunning graphic novel for kids about an ornery snapping turtle, a murder of crows, and the importance of ecosystems. The reptiles and fish living in a small pond launch a plan to eradicate Mr. Big, a snapping turtle that terrorizes them. Despite a few protests from some pond dwellers, the animals solicit the support of a murder of crows to carry out their plot. But the scheming crows have their own motives to kill the large reptile. As the plan is put into action, a different, greater terror has found itself a member of the pond. Will Mr. Big be ousted forever? Or will the pond dwellers come to realize that even the old snapping turtle might serve his purpose in their small environment? WILL EISNER'S CONTRACT
WITH GOD TRILOGY HC
(NEW PRINTING)

(W/A/CA) Will Eisner

The legendary graphic novel and the sequels that launched an art form. Set during the Great Depression, this literary trilogy, assembled in one volume for the first time, presents a treasure house of now near-mythic stories that fictionally illustrate the bittersweet tenement life of Eisner's youth. With nearly one dozen new illustrations and a revealing brand-new foreword, this book ultimately tells the epic story of life, death, and resurrection while exploring man's fractious relationship with an all-too-vengeful God. This mesmerizing, fictional chronicle of the universal American immigrant experience is Eisner's most poignant and enduring legacy. (STK468342)

THE RIDE:
SOUTHERN
GOTHIC #1
12 Gauge Comics

It's been some time since the titular '68 Camaro has graced comic pages, acting as the core for a variety of strange, intriguing, and action-packed stories about the lives of those who come in contact with this mysterious piece of Detroit muscle. Years have passed, but these tires still have good tread on them. It looks like the dust cover is off, and this iconic catalyst for vehicular mayhem is leaving the garage once again.

They say the road to hell is often paved with good intentions but *The Ride: Southern Gothic* shows us that; regardless of the intentions, the road to hell is usually whatever stretch of blacktop we find the pitch-black machine. The adventures continue and more people find themselves behind the wheel but some of them have evil in mind.

The Ride: Southern Gothic brings us the same high-caliber art and writing readers have come to expect from the series with the likes of Ron Marz, David Lapham, Rick Leonardi, and others so it's not a question of whether readers will enjoy the ride, it's only a matter of whether they can bear to wait for the next issue.

VIZ Media

Loveless fans are ecstatic the long wait is over! Ritsuka/Loveless and the gang are coming back to the US!

Yes, that's right girls and boys (well, mostly girls), *Loveless* (Volume 9) is finally coming out! It's been almost four years since Tokyopop released volume 8 (and then went kaput!), but now Viz Media is picking up exactly where the story left off with volume 9 this September. In addition, Viz is also planning on re-printing volumes 1-8.

If you've never read it, be warned: it's shotacon-esque and borderline yaoi. But beyond that, *Loveless* is an intriguing, surprisingly intelligent, and philosophical series with thought-provoking commentary on the hidden facets of our own society.

Get ready for some cat-boy action!

Jacob Chabot is a New York City-based cartoonist and illustrator. His comics have appeared in publications such as Nickelodeon Magazine, the now discontinued *Mad Kids*, *Savage Dragon*, and in various Marvel comics. He has also done design work for such companies as Marvel, American Greetings, and The Princeton Review. Jacob is probably best known for his comic *The Mighty Skullboy Army*, which has been published in a series of minicomics and compiled in a graphic novel published by Dark Horse Comics. *The Mighty Skullboy Army* graphic novel was nominated for an Eisner Award for Best Book for Teens in 2008.

Voltron Force® Vol. 1: Shelter from the Storm Story by Brian Smith, Art by Jacob Chabot

The mighty robot Voltron is back! And three young cadets—Daniel, Larmina and Vince—are training to become defenders of the universe. But King Lotor and his villainous minion Maahox have other plans. They've unleashed a horrifying storm, churning with evil energy. When Daniel, Larmina and Vince are sucked into the vortex, their worst nightmares come true!

an excerpt from JACOB LOVES VOLTRON® An Interview with Eisner-nominated Voltron Force® artist Jacob Chabot

Tell us about your relationship with Voltron. What does it mean to be part of such a classic franchise?

Voltron was the hurry-home-after-school-to-watch-it-show for me when I was in second or third grade, and during that time, it was my jam. I put a lot of miles on my old die-cast Voltron and even had a set of Voltron sheets. Once, the local station that aired *Voltron* had an art contest and they would show the winners after the credits. I spent a long time laboring over a drawing of Pidge that I sent in. Unfortunately, I don't think it ever made it on the air. So, getting the opportunity to draw Pidge for real after all these years is a childhood dream come true.

Are the Voltron toys in your studio the ones you had as a kid? Did you reference them while working on *Shelter from the Storm*?

The Lion Voltron is the one I had as a kid, complete with broken Black Lion ear and everything. It's got a lot of playtime under its belt! I didn't actually have Vehicle Voltron when I was

a kid. I think there were too many parts to ask my parents for. Plus, I just wasn't into Vehicle Voltron as much as the Lion version. Vehicle Voltron had to wait until I was an adult with my own job and an internet to buy crazy things on. I don't really use them for much reference as the new Voltron Force Voltron has a different design. They're more there for general inspiration. I guess I'll need to get the new Voltron as well. For reference of course.

Of course. You were even Voltron for Halloween as a kid, right? Tell us about that.

My Voltron costume was made out of a homemade silver shirt and pant set that was recycled from the previous year's astronaut costume. Then my mom turned it into Voltron by adding parts made from cardboard, an empty laundry detergent bottle, and some Styrofoam hamburger boxes! Thanks to her, I had a lot of awesome Halloween costumes as a kid. Voltron was probably my favorite thing in the world at that point. And what's cooler than dressing up as a giant robot made of robot lions wielding a blazing tinfoil sword!

What was your favorite part about working on *Voltron Force: Shelter from the Storm*? Your favorite character to draw?

My favorite part has to be drawing Voltron and the Lions themselves (although the new designs are a lot more complicated than the old ones!). That, and the Robcasts. I'm a big fan of drawing big monsters. My favorite character has always been Pidge, but he doesn't actually appear much in Vol. 1. I got to like drawing Daniel a lot though. He's a feisty kid.

What's your favorite thing about working in comics?

I like a lot of things about working in comics. You get to read comics and watch cartoons for "research." I can sleep in (when I'm not on deadline anyway). And seeing your work in print is always thrilling. But the best part is probably seeing people entertained by your work. That's pretty fulfilling.

NORMANDY: A GRAPHIC ADAPTATION OF D-DAY TP

(W/A/CA) Wayne Vansant

Normandy depicts the planning and execution of Operation Overlord in 96 full-color pages. The initial paratrooper assault is shown, as well as the storming of the five D-Day beaches: Utah, Omaha, Gold, Juno, and Sword. But the story does not end there. Once the Allies got ashore, they had to stay ashore. The Germans made every effort to push them back into the sea. This book depicts the such key events in the Allied liberation of Europe as the Capture of Cherbourg, the nearest French port; the American fight through the hedgerows to take the vital town of Saint-Lô, the British-Canadian struggle for the city of Caen, and the breakout of General Patton's Third Army. TEZUKA'S MESSAGE TO ADOLF Vertical

If you have ever wondered why Osamu Tezuka is often credited as "the father of manga," "the god of comics," and even the "Godfather of Anime," read *Message to Adolf*.

Woven within the setting of World War II, the story follows three young men sharing the same name—Adolf. The first is a half-German, half-Japanese boy named Adolf Kauffmann and the second is his best friend, Adolf Kamil—a German Jew; their lives and fate become intertwined surrounding the biggest secret of the third Adolf—the infamous Adolf Hitler.

This is Tezuka's critique: a study of WWII from the Japanese perspective. While, it may sound dry and educational, it isn't. The flow of the narrative is well paced and reads like a movie with twists and turns that build suspense as the monumental secret gets passed around waiting to be revealed.

Message to Adolf is a breathtaking, tragic, and deeply moving. It is a significant piece of cultural work that has earned every award it has won. While it is not light reading, it is a must-read.

SPOTLIGHT ON**WE GO POGO: WALT KELLY, POLITICS, AND AMERICAN SATIRE**

(W) Kerry D. Soper
(A/CA) Walt Kelly

We Go Pogo is the first comprehensive study of Kelly's cartoon art and his larger career in the comics business. Author Kerry D. Soper examines all aspects of Kelly's career, including high school drawings, his work on such animated Disney movies as *Dumbo*, *Pinocchio*, and *Fantasia*, and his 1930s editorial cartoons for *Life* and the *New York Herald Tribune*. Soper taps Kelly's extensive personal and professional correspondence and interviews with family members, friends, and cartoonists to create a complex portrait of one of the art form's true geniuses. 60 Years of Humor, Satire, Stupidity and Stupidity

by the Editors of *MAD Magazine*

WITH INTRODUCTION BY STEPHEN COLBERT

For the past 60 years, *MAD Magazine* has been keenly surveying the American landscape and making fun of everything it sees.

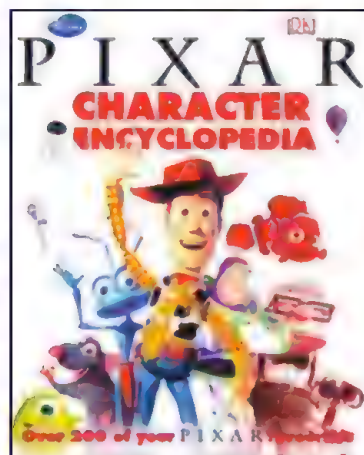

"The Usual Gang of Idiots," as their writers and artists have long called themselves, brilliantly satirize politics, celebrities, movies, television, advertising, music and more. (They've never been above a cheap gag or a horrific pun, either.)

Totally MAD is a celebration of this cultural touchstone and includes such classics as—

- *Spy vs. Spy*
- Al Jaffee's *The MAD Fold-in*
- Sergio Aragones' *A MAD Look At...*
- Dave Berg's *The Lighter Side of...*
- *Planet Tad*
- the *MAD Strip Club*
- the *Fundalini Pages*
- the spectacular movie and TV satires of Mort Drucker, Jack Davis and Tom Richmond
- the outrageous artwork of Don Martin and Drew Friedman

POSTER ART OF THE DISNEY PARKS HC

(W) Danny Handke, Vanessa Hunt
Disney attraction posters have been an important means of communication since Disneyland began displaying them in 1956. *Poster Art of the Disney Parks* is a tribute to those colorful attraction posters that depict all the wonderful rides and shows, which begin telling the story of each attraction even before Guests have entered the queue area. As evidenced by the evolution of the attraction posters, art styles and design techniques have certainly changed over the years. But while artistic interpretations and color palettes may vary from Park to Park and from year to year, the spirit of Disney storytelling is a constant that ties them all together. Audio Titles

DOCTOR WHO: BLACK AND WHITE AUDIO CD

(W) Matt Fitton (CA) Barry Piggott

Starring Sylvester McCoy as the seventh Doctor. A new adventure in time and space for the Doctor and his companions Ace and Hex. The TARDIS arrives in the land of the Danes, where a young warrior seeks to rid the kingdom of Hrothgar from a cruel and terrifying demon. The brave young warrior is Beowulf; the monster is Grendel — or so his name will one day be written. But what's written down in black and white is sometimes very far from the truth — as the Doctor knows, and his betrayed companions are about to discover. (STK469559) (C: 0-1-1)

DOCTOR WHO: THE COMPANION CHRONICLES: THE JIGSAW WAR AUDIO CD

(W) Eddie Robson (CA) Alex Mallinson

Performed by Frazer Hines as Jamie McCrimmon. A new adventure with the Second Doctor, as told by his companion, Jamie. A cell. Four walls, one door. Jamie McCrimmon can escape, but it means unravelling a puzzle of extraordinary complexity. And there are more than just two players in this game. The Doctor is there. So is his opponent Side. As a hero turns killer, and a rebellion becomes anarchy, the lines between good and evil are blurred. And so does the distinction between cause

and effect. (STK469554) (C: 0-1-1)

Audio CD, 5x5\$14.99

DOCTOR WHO: THE COMPANION CHRONICLES: THE UNCERTAINTY PRINCIPLE CD

(W) Simon Guerrier (CA) Anthony Lamb

Performed by Wendy Padbury as Zoe Heriot. A new adventure with the Second Doctor, as told by his companion, Zoe. In the future, Zoe Heriot is a prisoner of the mysterious Company, which has evidence that she travelled through space and time with the Doctor. Zoe's memories have been blocked by the Time Lords, but the Company is determined to break through this conditioning... And so Zoe recalls a journey to Earth in the past, to the funeral of a young woman called Meg, who was involved in scientific experiments that are bringing forth sinister alien creatures. Only the Doctor, Jamie, and Zoe can stop them. (STK469558) (C: 0-1-1)

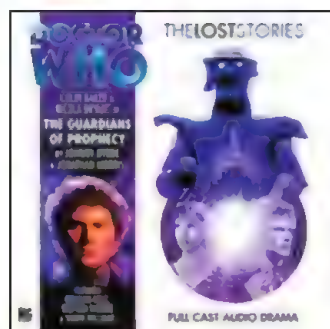

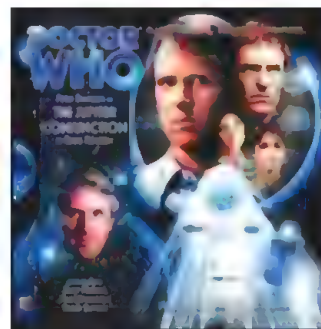

Audio CD, 5x5\$14.99

DOCTOR WHO: THE JUPITER CONJUNCTION AUDIO CD

(W) Eddie Robson (CA) Amazing 15

Starring Peter Davison as the fifth Doctor. A new adventure in time and space for the Fifth Doctor and his companions Tegan, Turlough, and Nyssa. Eight slash Q Panenka, a craggy comet, has an elliptical orbit that takes it between Earth and Jupiter. Which, in the 24th-century, makes it a cheap means of space freight, the second class postal service of the solar system. But when the TARDIS lands on Panenka, the Doctor, Tegan, Turlough, and Nyssa discover a community plagued by thefts and mysterious disappearances among the "piggybackers" who eke out a desperate existence on the comet. DOCTOR WHO: THE LOST STORIES: THE GUARDIANS OF PROPHECY AUDIO CD

(W) Johnny Byrne (CA) Alex Mallinson

Starring Colin Baker as the sixth Doctor. A new adventure in time and space for the Sixth Doctor and his companion Peri. The TARDIS materialises on Serenity, the last surviving world of the Traken Union. Peri expects a good place for a holiday — not tomb raiders, a labyrinth filled with terrifying monsters and a trap-laden necropolis. For Serenity's gentle name belies its history as the home planet of the Melkur, soldiers created to serve a long dead dark force, the embodiment of evil itself. While they sleep, vicious thieves are after this force's secrets, and will stop at nothing to find them. But will they find more than they bargained for? (STK469549) (C: 0-1-1)

Audio CD, 5x5\$24.99

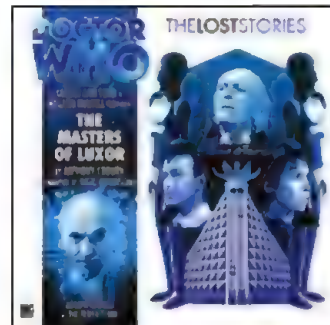

DOCTOR WHO: THE LOST STORIES: THE MASTERS OF LUXOR AUDIO CD

(W) Anthony Coburn, Nigel Robinson

(CA) Alex Mallinson

A new adventure in time and space for the First Doctor, told by his companions Ian and Susan. The TARDIS is drawn to a mysterious signal emanating from a seemingly dead world. Trapped within a crystalline structure, the Doctor and his friends inadvertently wake a vast army of robots that have lain dormant for many, many years. Waiting for the Masters of Luxor. The Perfect One wants to become more than just a mockery of a man, and will stop at nothing to achieve it. But will the cost prove too great? The travellers are about to uncover a horrifying tragedy. A tragedy that threatens to engulf them all. (STK469561) (C: 0-1-1)

**DOCTOR WHO: THE ROMANS
AUDIO CD**

(W) Dennis Spooner

The year is 64 CE, and the TARDIS travelers are enjoying a restful time in a villa close to Rome. Their peace and quiet is shattered when a visit to the city sees the Doctor mistaken for a lyre player, and subsequently pursued by an assassin. Meanwhile, Ian and Barbara are kidnapped and sold as slaves. Using all his ingenuity to gain the freedom of Nero's court, the Doctor inadvertently inspires the Emperor's plans to completely rebuild Rome. Can the Doctor, Vicki, Ian, and Barbara escape with their lives before the city becomes a cinder? **ZOMBIE CAT: THE TALE OF A DECOMPOSING KITTY HC**

(W) Isabel Atherton (A/CA) Bethany Straker

Tiddles is a suave, carefree kitty cat whose only pleasures in life are eating mice, wooing the ladies, and being generally apathetic toward his owner, Jake. But when a toxic spill occurs outside of town, Tiddles finds himself savagely attacked by a nasty-looking radioactive field mouse, and he wakes up as one of the undead! However, Tiddles, a.k.a. Zombie Cat, is decomposing rapidly and would prefer to live a normal life in the zombie apocalypse with his owner, Jake. But will Jake take in his former cuddly pet or will ZC be doomed to roam the streets trying to avoid the inevitable pull of his undead yearnings? *Zombie Cat* is a humorous adult picture book in the vein of *Pat the Zombie* and *Ten Little Zombies: A Love Story*. SPOTLIGHT ON

LIFE: 50 YEARS OF JAMES BOND HC
Fifty years (and five billion dollars in ticket sales) ago, the dashing Scottish actor Sean Connery declared suavely that he was "Bond, James Bond." Thus began a cinematic series unlike any other. *LIFE* was on the scene in the swinging '60s when James Bond became a cultural icon, and now *LIFE* tells the whole story in this commemorative book. Ian Fleming, a high-ranking officer in British Naval Intelligence during World War II, dreamt up his M6 spy, code number 007, in 1953, and a decade later, with Dr. No, saw his creation take on a life entirely his own. All the fun of Bond is here: the movies; the reminiscences by the stars; the *LIFE* photo shoots; the knock-offs and spoofs; the artifacts; the trivia; and more! MOVIE/TV

APE-MAN: THE UNOFFICIAL AND UNAUTHORIZED GUIDE TO 100 YEARS OF TARZAN SC

(W) Sean Egan (CA) Boris Vallejo
In October 1912, readers of *The All-Story* magazine were enthralled by Edgar Rice Burroughs' tale of John Clayton, an orphaned English lord given a simian upbringing in the African jungle who went on to reclaim his birth-right in civilisation while maintaining one foot in the savage land he had conquered. This book traces Tarzan's history in prose, film, comic strips, comic books, radio, stage, television, computer games and merchandise, charting the rise of one of the most popular and iconic characters in fiction. The book also examines the massive changes in public attitudes towards Africa, race, hereditary peers and wildlife conservation over the past century. THE ART AND MAKING OF HOTEL TRANSYLVANIA HC

(W) Tracey Miller-Zarnke
The Art and Making of Hotel Transylvania brings to (undead) life the making of the new animated film from Sony Pictures Animation and director Genndy Tartakovsky (*Star Wars: The Clone Wars*). A fresh new spin on the classic horror monsters, the story features Dracula, who invites some of the world's most famous monsters to celebrate his daughter's 118th birthday. For Drac, catering to all these monsters is no problem, but his world could come crashing down when one ordinary human guy stumbles in! Featuring over 400 pieces of concept art, character sketches, storyboards and digital art, plus interviews with key filmmakers and crew! (STK469121) (C: 0-1-1) HC, 11x10, 160pgs, FC\$34.95

THE BEWITCHED HISTORY BOOK SC

(W) David Pierce
For almost fifty years the beloved 1960s sitcom *Bewitched* has been enchanting television audiences. Within these pages you will learn everything about America's favorite witch, Samantha Stephens, her dreary mortal husband, Darrin, and the grand host of witches, warlocks, and marvelous mortals who accompanied them on their journey from newlyweds to the parents of a little witch and warlock of their own. Each of the 254 episodes are described in humorous detail and reviewed by one of the biggest fans of the show, David Pierce. THE BIG LEBOWSKI: AN ILLUSTRATED, ANNOTATED HISTORY OF THE GREATEST CULT FILM OF ALL TIME HC

(W) Jenny M. Jones
Whether contending with nihilists, botching a kidnapping pay-off, watching as his beloved rug is micturated upon, or simply bowling and drinking Caucasians, the Dude abides. As embodied by Jeff Bridges, the main character of the 1998 Coen brothers' film *The Big Lebowski* is a modern hero who has inspired festivals, burlesque interpretations, and even a religion (Dudeism). In time for the 15th-anniversary of *The Big Lebowski*, film author and curator Jenny M. Jones tells the full story of the Dude, from how the Coen brothers came up with the idea for a modern LA noir to never-been-told anecdotes about the film's production, its critical and commercial reception, and, finally, how it came to be such an international cult hit. BY YOUR COMMAND: THE UNOFFICIAL AND UNAUTHORIZED GUIDE TO BATTLESTAR GALACTICA VOLUME 1: THE ORIGINAL SERIES AND GALACTICA 1980 SC

(W) Fiona Moore, Alan Stevens
Battlestar Galactica was one of the most impressive American telefantasy series of the 1970s, gaining high ratings, a devoted fan following, and a spinoff commissioned less than a year after the original had ended. In this book, Alan Stevens and Fiona Moore use behind-the-scenes material and in-depth analyses of both screened episodes and unmade stories to explore how *Battlestar Galactica* interwove relevant political and religious themes into the traditional space-opera format to produce a television program which is never less than entertaining and frequently thought-provoking. TELOS MOVIE CLASSICS: HULK SC

(W) Tony Lee

From its comic book origins in *The Incredible Hulk* by Stan Lee and Jack Kirby, director Ang Lee's movie *Hulk* updates and reinvents the story of how scientist Bruce Banner is transformed into a giant rage monster, and becomes a new anti-hero for the 21st-century. As a neurotic human changes into an unstoppable beast, Hulk offers a study of dysfunctional family relationships alongside tank-busting, helicopter-crashing mayhem, that results in a final confrontation of cosmic proportions. This book reviews the movie's narrative complexity and its varied genre elements, realized by an artistically innovative editing style and groundbreaking visual effects. (STK469583) (C: 0-1-2)

The Man of Bronze returns in two tales of super-science that inspired classic *Superman* stories. First, a silvery stratospheric craft showers vapors of death upon a Texas town, while Cosmic Rays alter Long Tom's mental makeup. Doc and Patricia Savage attempt to thwart the deadly plots of a red-hooded mastermind in "He Could Stop the World," a pulp classic by Laurence Donovan that inspired an early *Superman* story by Jerry Siegel. Then, "The Laugh of Death" could change the outcome of World War II, in a Lester Dent thriller that introduced Doc's new Fortress of Solitude that inspired the Man of Steel's glacier hideaway. Celebrating the 35th Anniversary of *A New Hope*, Topps is releasing its most ambitious *Star Wars* card set to date! This massive 350-card collector's set covers the characters, creatures and vehicles from all 6 films as well as the Expanded Universe and *The Clone Wars*. Each super-premium 24 pt. foil-stamped card is full of intriguing details and includes a set of icons that cross-reference other cards in the series that relate to it. Plus each base card has 4 sets of rare parallels: Blue (350 each), Red (35 each) and Gold (35 each). Special inserts complement this in-depth retrospective: "I Have a Bad Feeling About This," Duels of Fate, Heroes on Both Sides, and Classic Lines. Additionally a set of 20 Foil insert cards showcase rarely seen black and white photography from the original trilogy. Each Hobby Box includes 1 Sketch Card and either 1 Autograph (Hobby Only) or 1 Embroidered Patch "relic" card (Hobby Only). 12 cards per pack, 24 packs per box. (STK469639) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

STAR WARS

STAR WARS BOBA FETT RETURN OF THE JEDI VER. ARTFX+ STATUE

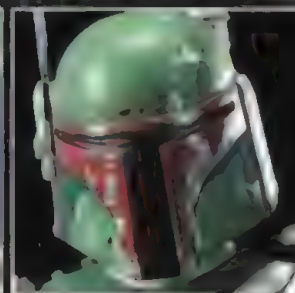

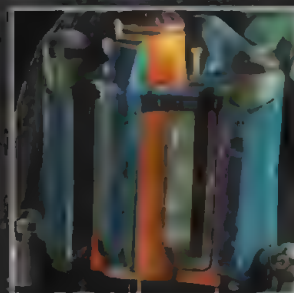

The galaxy's most feared bounty hunter returns to the hit line of smaller scale Star Wars Saga Collection ARTFX+ Statues. A clone of Jango Fett and one of the freelancers chosen to hunt down Luke Skywalker for Darth Vader, the armored jetpack-toting mystery man joins the ARTFX+ line in a new version representing his appearance in the final film: **BOBA FETT RETURN OF THE JEDI VER.1**

With an all-new sculpt and paint scheme, this is a great successor to the previously offered Empire Strikes Back Fett.

ARTFX+ Statues are fun-to-assemble pre-painted snap-fit kits that can be easily put together in seconds without glue or modeling skill. Boba Fett stands over 7 inches tall (1/10th scale) and looks great displayed alongside all of the other Saga Collection statues!

SRP \$49.99

Available in NOVEMBER

- Featuring an all-new sculpt and paint scheme.
- Includes interchangeable parts so you can display him wielding his iconic blaster or preparing to fire his wrist-mounted gauntlet weapons.

LANDMARK PEOPLE & EVENTS: DENIS KITCHEN

With *The Spirit* and *Steve Canyon* shirts being part of our initial shirt releases, it was pre-destined that my path would soon cross with Denis Kitchen. Denis' Kitchen Sink Press was an evolving remnant from the world of underground comics that published both *The Spirit* and *Steve Canyon* magazines. Advertising for Spirit shirts, in *The Spirit* magazine, read by Spirit fans...perfect!! Denis provided me with space in *The Spirit* #36 dated August 1982, for what was to be the very first ad for Graphitti Designs shirts to be seen by the world. Beside being one of the best raconteurs in the biz, Denis was always very generous in sharing his vast knowledge and wisdom with others. The quality and diversity of his product-line, the relationship he had with the creators he worked with and the attitude he had towards business, set the benchmark for what we have since tried to achieve at Graphitti Designs since. I have been very fortunate to have Denis as a mentor, a business associate and as a friend all these years.

**RED HULK PREVIEWS EXCLUSIVE MINI-BUST**

A Gentle Giant Sculpt! Absolutely uninhibited, tactically intelligent. It's hard to find a more dangerous combination than the Red Hulk! General Thaddeus E. "Thunderbolt" Ross has been hunting the Incredible Hulk since that particular Green Giant stormed onto the scene in the 1970's. After having tried everything with no success, he decided to make one last, desperate try. He enlisted in a new generation of the Super Soldier program and turned himself into a red version of his most hated foe. After faking his alter-ego's own death, the Red Hulk went on a rampage through the Marvel universe to draw out the Hulk, defeating some of the most powerful heroes and leaving a trail of destruction in the process. He was ultimately defeated and captured by the Hulk and turned over to the custody of Steve Rogers, better known as Captain America. Now reformed and forced to stay in his monstrous form to protect his secret identity, the Red Hulk serves as one of Earth's Mightiest Heroes, the Avengers! Sculpted with an exacting eye for detail by Gentle Giant's top artisans and standing at an impressive 7" tall, 8" wide, this bust is "mini" in name only. Cold cast in hard, durable polystone, this limited edition collectible is hand numbered with a matching Certificate of Authenticity. (STK468750) Scheduled to ship in September 2012. STAR WARS: A NEW HOPE STORMTROOPER HELMET REPLICA

There were only 6 known "Hero" Stormtrooper helmets that were made for the original *Star Wars* film. Up until now, only the whereabouts of 1 helmet was known. This helmet resides in the Lucasfilm archives. Unfortunately, it was missing some of the components including the lens. Then, just by chance, a second owned by a private collector was found! This helmet was still in perfect condition with all of the components, including the lenses, foam padding, and elastic straps! The helmet was in such original condition, that we were able to identify the helmet on screen! Not only did this generous collector allow EFX to take extensive reference photos and measurements of the helmet, but he actually let the helmet be disassembled to cast the inside to make new molds! Thus, by casting the mold of the inside of the helmet, this is an exact duplicate of the original molds used. The Legend Stormtrooper helmet not only replicates the original helmet in process, but all materials as well. (STK469555) Scheduled to ship in September 2012. MARVEL COMICS HAWKEYE CLASSIC AVENGERS FINE ART STATUE

Created in 1964 by Stan Lee and artist Don Heck, Clint Barton was an orphan working in a carnival who learned archery to become a master marksman. After dabbling in crime he chose the path of righteousness and became a costumed superhero, working alongside the Avengers for years and gaining huge popularity among Marvel's readers. Barton joins the original trio of Thor, Captain America, and Iron Man in his iconic original costume: **HAWKEYE CLASSIC AVENGERS!** Wearing his traditional dark blue and purple costume, Hawkeye defends the Earth from the greatest threats with a smirk on his face and the Avengers to back him up. The master archer stands on a rocky outcropping, resting his right arm on his knee as he surveys the battlefield looking for his next target. Every element of Hawkeye's classic costume has been recreated from the skin-tight cowl with pointed mask and "H" logo to the scale mail-like chest piece, bracelets, and retro cuffed boots. Hawkeye stands nearly 13 inches tall (1/6 scale). His rocky terrain base matches those on the other Classic Avengers, the previously released Thor, Captain America, and Iron Man so you can display them individually or as a team!

DC COMICS BATMAN -THE DARK KNIGHT RISES- ARTFX STATUE

The Dark Knight is back! Kotobukiya is proud to present a new ARTFX Statue based on the upcoming film *The Dark Knight Rises*. The third part of a trilogy by Christopher Nolan, this summer's "DKR" pits Christian Bale's Bruce Wayne against both Bane and Catwoman. To celebrate that release you can get the newest incarnation of the big screen hero for your shelf with **BATMAN -THE DARK KNIGHT RISES-**! The Bat was reinvented with 2005's *Batman Begins*, and its two sequels have further evolved the Dark Knight. Featuring a beautifully detailed sculpt recreating Batman's specific appearance in the new film, this new version of the character faithfully recreates the hero's intricate armored bat-suit with cape and cowl. Standing ready for action, the world's greatest detective oversees Gotham City from the top of a rocky landscape. Staring down his enemies with his trademark scowl, Batman holds his flowing cape in front of him with his left hand while his right wields one of his wonderful toys; with interchangeable parts you can display him with either a grapple gun or his EMP rifle!

**NASA APOLLO 16: LUNAR HIGHLANDS 1/72-SCALE MODEL**

Imported from Japan! NASA's Apollo 16 stands out as the first to touch down in a lunar highlands area, namely the Descartes Highlands. The Lunar Module (LM) Orion contained the program's second Lunar Roving Vehicle (LRV), which enabled astronauts to explore further afield. During the Apollo 16 mission, LRV-002 covered a total distance of 26.55km. Dragon's Space Collection offers a full set representing the important Apollo 16 mission, including a miniature Lunar Rover. The vehicle is accurately made to 1/72-scale, and it is beautifully detailed and painted. The LRV is made even more eye-catching by the fact that an astronaut is seated behind the wheel as he explores the lunar surface. The inclusion of the CSM, LM and an additional astronaut on the Moon makes for an amazing diorama setting. (STK469047) Scheduled to ship in August 2012. (1334/DRW 50398) (C: 0-1-3)

DISNEY BY BRITTO: THE MUPPETS FIGURINES

Disney by Britto combines the artwork of Romero Britto, one of today's most-sought-after contemporary artists, with some of today's most beloved characters to create a truly unique collaboration. With vibrant, bold, and colorful imagery, Britto delivers a modern, refreshingly upbeat interpretation of Jim Henson's Muppets through his use of pattern and color. Britto's polystone hand-painted figures of Kermit the Frog (8 3/4" tall) and Miss Piggy (7" tall) in a glossy finish feature a dazzling juxtaposition of colors and lines to create fun, dynamic, and whimsical takes on these characters in celebration of their most recent film! HATSUKOI LIMITED: THE COMPLETE COLLECTION

Romance is a funny thing. You hear about it, read about it, and even dream about it, but it always seems to elude you... until it actually happens — in a way you never imagined it — and knocks you off your feet! At least, that's how it seems to feel like for young Ayumi and her friends, all just entering the eighth grade as, one by one, they discover that love is infectious and you can catch it from anyone! Now Ayumi's torn between two brothers, Koyoi has an altogether different kind of brother issue, and budding theatrical impresario Sumire seems ready to do anything to land her leading man. Then there's tom-boy Rika, aspiring artist Nao, Kei, who's very 'mature' for her age, and older girl Misaki who really is more mature. Oh, and the guys? They're just as clueless and entangled in the complex web of relationships that's

called growing up! That most infections of all ailments, the 'love bug,' is about to bowl over the student body of an entire school in *Hatsukoi Limited*! (STK469012) (C: 0-1-3) DVD.....\$49.98

NEEDLESS: THE COMPLETE COLLECTION

The year is 2130 and the world has been decimated by world war, reducing the planet to a dangerous, post-apocalyptic hellhole. There is, however, one hope — Adam Blade, a fake priest with big fists and a nasty disposition. He's got no superpowers, but he's still the closest thing this world has to a superhero. And like any superhero, he has a weakness... though in Adam's case, it isn't a glowing chunk of his lost planet of birth — it's cuties in sexy little outfits, usually of the schoolgirl variety! Big bloody battles and a liberal dose of fan-service have made *Needless* one of the craziest, most action-packed anime series in years! And now every episode of *Needless* is right here — so you can get what you want and what you need in one complete series! Available in Blu-Ray and standard DVD formats! (STK469004) (C: 0-1-3)

SPOTLIGHT ON

THE SAMURAI TRILOGY (CRITERION COLLECTION)

From the Criterion Collection! The Samurai Trilogy, directed by Hiroshi Inagaki and starring the inimitable Toshiro Mifune, was one of Japan's most successful exports of the 1950s, a rousing, emotionally gripping tale of combat and self-discovery. Based on a novel that's often called Japan's Gone with the Wind, this sweeping saga fictionalizes the life of the legendary seventeenth-century swordsman (and writer and artist) Musashi Miyamoto, following him on his path from unruly youth to enlightened warrior. With these three films – 1954's Oscar-winning *Musashi Miyamoto*, 1955's *Duel at Ichijoji Temple*, and 1956's *Duel at Ganryu Island* – Inagaki created a passionate epic that's equal parts tender love story and bloody action. FATHER'S DAY

The urban legend known as The Father's Day Killer began some years after the demise of serial rapist/murderer Chris Fuchman. Since the 1970s, the use of contraceptives has tripled in North America alone and a generation of fathers fell asleep with the covers pulled tight, buttocks clenched. That deep-seated fear of penetration, violation, and eventually death waned as the murder and rape of fathers continued to decline all over the world. **SNOW WHITE AND THE HUNTSMAN DVD**

In this epic action-adventure, Kristen Stewart plays the only person in the land fairer than the evil queen (Charlize Theron) who is out to destroy her. But what the wicked ruler never imagined is that the young woman threatening her reign has been training in the art of war with a huntsman (Chris Hemsworth) who was dispatched to kill her. The breathtaking new vision of the legendary tale is from Joe Roth, producer Sam Mercer, and acclaimed visualist Rupert Sanders. (STK469910) (C: 0-1-4)

BRAVE

Since ancient times, stories of epic battles and mystical legends have been passed through the generations across the rugged and mysterious Highlands of Scotland. In *Brave*, a new tale joins the lore when the courageous Merida confronts tradition, destiny and the fiercest of beasts. Merida is a skilled archer and impetuous daughter of King Fergus and Queen Elinor. Determined to carve her own path in life, Merida defies an age-old custom sacred to the uproarious lords of the land. Her actions inadvertently unleash chaos and fury in the kingdom, and when she turns to an eccentric old Wise Woman for help, she is granted an ill-fated wish. The ensuing peril forces Merida to discover the meaning of true bravery in order to undo a beastly curse before it's too late. (STK469908) (C: 0-1-4)

Father Knows Best

Budding superstar and new father, Jeff Lemire talks about his latest project *The Underwater Welder*; his own experiences with fatherhood; and the differences in writing superheroes versus his own character creations.

Jeff Lemire continues to make a name for himself in the comics world. His graphic novel *Essex County* was named one of Canada's Top Five novels for 2011 in a CBC poll and his work on DC Comics' *Animal Man* and Vertigo's *Sweet Tooth* have garnered a wide range of critical praise.

August will see the release of Lemire's latest graphic novel, *The Underwater Welder*, from Top Shelf Productions. The novel focuses on Jack Joseph, an *Underwater Welder* working off the coast of Nova Scotia, and soon-to-be father. As the due date moves closer, Jack finds himself under increasing pressure - not just from his impending fatherhood—but the legacy of his own father, a welder himself who disappeared when Jack was young. After a mysterious encounter under water, Jack finds himself coming to terms with his roles as both father and son.

PREVIEWS: Fatherhood is at the core of *Underwater Welder*, and it's also an important thread in *Animal Man* and *Sweet Tooth*. Do you think writing about these characters and relationships has made you experience fatherhood differently?

Jeff Lemire (JL): I don't think writing and creating comics has changed how I experience fatherhood. I think experiencing fatherhood has changed how I make comics. When I started out on *The Underwater Welder* four years ago, I was still not a Dad myself. I think the book was really about the stress and fears of impending fatherhood that I was feeling at the time. Then, over the course of creating the book, I had my first child, a boy, and my perspective changed so dramatically that the book itself turned into something else as well. As I worked on it became much less about fear and pressure and much more about a celebration of fatherhood in a strange way...an acceptance of it. And, the same goes for *Sweet Tooth* and *Animal Man*. I don't think I could have written and drawn those books the way I have if I weren't a father myself when I started them.

PREVIEWS: *Underwater Welder* seems to deal not only with the tension of the main character's impending fatherhood, but his having to explore the events that occurred with his own father as well. Was that reflective of your experience as a parent-to-be, or did that develop as part of the narrative (or possibly both)?

JL: Really, that is fictional. While I was experiencing certain stress and fear over becoming a father, I exaggerated it here and used the character and his situation as a metaphor. It's an exaggerated, fictionalized version of what I was feeling. I also wanted to get back to experimenting with weaving a narrative between past and present the way I did in *Essex County*. So all of that went into the narrative structure of *The Welder*.

PREVIEWS: While there's a strong science fiction element to this book, the character interaction and emotional aspects is clearly the core of the story. Do you ever find it difficult (with this or your previous works) to balance those aspects?

JL: No, I love taking genre elements or tropes and then representing them in a new and interesting way but putting the focus not on the big plot moments but rather the quiet character moments. It's not dissimilar to what I did in *Sweet*

Tooth with the post-apocalyptic /adventure genre or *Essex County* by using a sports story. To me juxtaposing that kind of genre elements whether they are sci-fi, horror or whatever with quiet character studies creates a really interesting tension and helps present both aspects in a fresh way.

PREVIEWS: You've said that this book was harder for you to finish because it was outside the regular schedule of the monthly books. Is there crossover between the pressure of bringing a child into the world and your own struggle with pressure to deliver the book?

JL: I'd like to think any work pressures I had or have are very different from my personal life, but the fact is that my work bleeds into all aspects of my life and vice versa. So I'm sure the stress

and pressure I felt trying to complete *The Underwater Welder* found its way into the comic in some way.

PREVIEWS: Did you know early on that this book would be about a welder, specifically? Was it a profession you had to research?

JL: I'll be totally honest...I did very little research into underwater diving and welding itself. I was just enamored with the visual aspects of it and use it more as a fantasy-like metaphor than a gritty, realistic study of the profession itself. In other words I was more interested in the atmospherics of it than the details.

Though having said that I do have a bit of experience welding myself (the dry kind). When I was a teenager, I worked in a Tool and Die factory with my dad for six or seven years and did a lot of welding there.

PREVIEWS: The town in *Underwater Welder*, Tigg's Bay, is fictional, but how different is it from an actual town in the area?

"I don't think writing and creating comics has changed how I experience fatherhood. I think experiencing fatherhood has changed how I make comics."

FLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPside

JL: It's totally fictional and unrealistic. I wanted it to feel like a true ghost town, a final outpost detached from the rest of the world. I wanted the town itself to be very much like an imaginary place between places where Jack and Susie felt totally alone.

PREVIEWS: Along with your graphic novels published by Top Shelf, you also write a number of titles for DC Comics. How different are your experiences writing your own characters versus established ones? Do you find yourself having to "shift gears" creatively?

JL: I enjoy balancing the two worlds. It helps to keep my work for both mainstream comics and indie comics fresh when I can jump back and forth between them. I also like seeing aspects of both worlds start to bleed into each other.

For instance, I think the pacing of my personal work has improved. I've become more economic with space at times so that when I want certain scenes to feel "slow"

or long, there is a better contrast there. That comes from having to fit stories into 20 pages each month with DC. And I always try to bring as much of my personal aesthetic and voice to my DC work as I can.

In the end I love being able to play in both worlds.

"Doing DC stuff always gives me a lot of new ideas that I can bring into my personal work and vice-versa. I've come to thrive off of balancing work in both worlds."

PREVIEWS: Does working on these books take away from your desire to work on original ideas, or does it give you more drive to do something completely your own?

JL: No at all. They feed each other. Doing DC stuff always gives me a lot of new ideas that I can bring into my personal work and vice-versa. Like I said, I've come to thrive off of balancing work in both worlds. My personal work will always come first though. Luckily I'm able to juggle a lot of work, but if I had to slow down and choose, it would always come back to projects like *The Underwater Welder*. Worlds that I create for myself, by myself. As fun and exciting as the DC stuff can be, there is no comparison with the creative freedom I experience while working on these types of books. ■
